I agree and understand that registration of my child/ward is no guarantee of admission. I affirm that if my ward is admitted to the Hostel, he/she will remain hosteller till he/she studies in this School and that I will not request for changing his/her status from a boarder to a day scholar.

Withdrawal from School Hostel at any time would mean withdrawal from School also and this type of withdrawal would demand three months notice or three months fee in lieu thereof both for School and Hostel.

I understand that the School takes every care for the well being of the child. However, in case of any accident or mishap, I will not hold the School or its authorities responsible in any manner.
